Boardroom

For your most important meetings, like an executive-level board meeting, you need to design a space that will leave a lasting impression.

Designed to look beautiful in any boardroom, the **Webex Room Panorama** is packed with premium features. Four 5K cameras, two panoramic video screens, a dedicated screen for content sharing, and spatial audio with a table microphone array, mean everyone gets a perfect view, and can hear and be heard crystal clear. And it's all easily controlled by the **Webex Room Navigator**.

Your participants will experience the meeting with integrated cameras that deliver

perfect viewing angles, such as **automatic framing** and **speaker tracking**. There's also dedicated displays that support 4K content, which anyone in the room can easily share to wirelessly.

When it comes to your most important meetings, you need the best—and Webex has you covered.
